AT SEATTLE  
CLERK U.S. DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
BY DEPUTY

So now the court wants me to  
file motions as if I am a law student.

Pro-Se motions are what someone like  
me: Someone who doesn't know the law, submit  
when asking for something, If I was a Law  
student, I'd of been able to stop the Gross  
Miscarriage of Justice that was done to me.

The trial judge has committed perjury  
and I want him charged for it, How can  
there be justice if they are allowed to do  
what ever they want.

The puppets they keep assigning to  
pretend to represent me will do nothing that  
will reveal the tampering of trial records. but  
soon there will be an investigation and the  
Press and Media will be informed of the  
tampering of the records and Jury members will  
hear of it and come forth; The truth is  
going to come out, why try to hide it.....

I want charges placed on trial judge  
john c. coughenour for Purjury A.S.A.P.

I declare under penalty of perjury under the law of the united  
state of America that the forgoing is true and correct.
